Dear School Representative,

The Woodstock Fine Arts Association is pleased to announce that the 2015 Fall Children's Program is scheduled for Tuesday, October 20 at the Woodstock Opera House. This year's performance will be presented by Magic of Rhythm. The musicians will combine their skills in music and their passion for magic to create an exciting program. Our presentation addresses the Illinois Common Core Standards targeting music, literacy skills, and world culture.

This is an opportunity for your students in Grades 3 through 5 to learn and enjoy an affordable program in the historic Woodstock Opera House. Tickets are \$5.00 for students, teachers, and chaperones.

Attached is the registration form and details about our exciting program. The Woodstock Fine Arts Association Children's Program Committee looks forward to offering this program to the school children in your community.

Please share this information with staff members that plan field trips and special events. If you have questions about the Magic of Rhythm performance you may contact Joyce Lande at landemom2@comcast.net or 847-754-1593.

Sincerely,

Joyce Lande
